1. What is your connection or interest in this case? * For example, are you a customer of the Complany that is the subject of this pending proceeding? (This section must be completed. Attach additional infomlation if necessary).)

I am a residential customer of Greenville, SC. My power bill for Sept was almost \$200. This last bill I sent off today, was over \$141. I live on a limited income and am 81 yrs young, (just turned 81 on Sept 12, 1930.). I feel very strong that this 17% increase would make me not be able to have a decent living...

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional sufformation if neces Sal).)

I feel this increase of 17% increase would make my living expenses become more harder to pay... Please reconsider this increase for people like myself and would be hard on all senior citizens.

3. Do you Wisli to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)

I would be able to make an appearance here in Greenville, SC, or given transportation else where...
